

# Meet Me in the end zone

How to be a player in the health care game

# Why be an advocate?

## jjjhelpyyou

- it's not just about your patients
- What motivated me to get involved

# how the cafp can support you and your practice

- cme
- Employment contract review
- billing and coding resources (CME credits)
- family physician toolkits
- job listings and resources
- resources to develop a pcmh

# what you can do to support the cafp

- “get involved”
- be a delegate to the congress of delegates
- talk to your patients

# what happens if we aren't in the game

- physician burnout
- cme requirements
- government mandates

# cafp legislative advocacy

- summary of federal and state health care policies
- CAFP sponsored bills
- state budget resource center
- legislative action committee

QuickTime™ and a  
decompressor  
are needed to see this picture.

# start being an advocate today

- contact your legislators
- use the “positions on legislation” and “talking points” as a guide
- contact the CAFP media representative
- talk to your patients
